Let Me Sleep, Toothless

It was a peaceful morning on Berk and it's the start of the weekend.

Lucky Hiccup gets to sleep in, well not exactly.

Every morning, Toothless always wakes him up so early just because.

Well, this time he's going to do something different.

...

It was about 7:00 am when Toothless got up bright and early.

Hiccup was still sleeping after that thing they did last night.

Boy, that kept him up.

When Toothless looked at the sleeping boy and whispered, "Hiccup. Time to get up. We have a busy day ahead of us."

Hiccup didn't respond. He was still sleeping like a little angel.

Toothless scratched his chin until he had an idea.

He leaned down and gave him kisses on the cheek.

Hiccup giggled and said, "Toothless, stop. It's too early for this. And then went back to sleep.

Toothless groaned in grief. Time for plan B.

He puts his fingers on Hiccup's butt and puts them inside them.

Hiccup yelped and immediately pushed Toothless off the bed.

Toothless was laughing at this.

"Toothless, you pervert! Could you at least let me sleep in for just one day?! Please? I really need this!" Hiccup yelled.

"Oh, okay. I understand. I guess I better have some fun all by myself. Without my sweetest thing." Toothless teased.

Hiccup groaned and said, "Thank you!" And went back to sleep.

Toothless snickered about his new plan to wake up Hiccup.

So, he picks him up and carries him to the door.

Then, he went to the lake and throws Hiccup in there.

Hiccup immediately wakes up and swam up to the shore.

When he got some air, he saw Toothless laughing.

"TOOTHLESS!" he yelled.

Toothless went to him and gets him out of the water by picking him up.

"What? It's nice to wake up early." he said.

"Yeah, but not on a weekend." said Hiccup.

Toothless giggled and kissed his forehead.

"Okay, I forgive you now." said Hiccup as he kissed him on the lips.

Toothless kissed him back.
